The Children's
Centre Team...

because every child matters...

I am offering my support as your Community Worker, a new service to your area. I cover Thanington, Wincheap and the London Road Estate, and I provide a friendly home-visiting service to families with children under 5.

The Little Hands Children's Centre works in partnership with other agencies to promote and encourage the use of facilities and services in your area.

You could benefit from this service if:

- You are feeling lonely or isolated in your community, have no family nearby and are struggling to make friends.
- You are struggling with the emotional and physical demands of parenting.
- You need help with practical things like budgeting or healthy eating.
- You'd like to get to know what is available for parents and children locally but don't know where to go, or don't have the confidence to find out or join in.
- You are finding it hard to cope if your child is ill or because you are ill, tired, unhappy or exhausted.
- Relationship break-down or personal loss.

All you have to do is telephone the numbers overleaf or call into the Little Hands Children's Centre and speak to a member of the team.
